CZECH IT OUT, TOO

Pub Culture Beercations is proud to present “Czech It Out Too”, October 7-18, 2021! Embark on an 11-night biercation to the Czech Republic as we return to explore the culture, history, AND pivo of Bohemia and Moravia.

We had so much fun on our first beercation to the Czech Republic with our special “celebeerty” guests Tom Becka and Jeffrey Koterba in 2019, that we’ve decided to return to the Czech Republic and give you a chance to come along and “Czech It Out Too”!

Join us as we return to many of our favorite

stops from when we Czech’d it out with Tom & Jeff, plus we’ve add a few new cultural and historical stops to the itinerary as well. In fact, on our second foray into Czech pivo we have decided to add 2 additional nights to the tour and give “Czech It Out Too” the full Pub Culture Beercation Experience, itinerary with stops at places such as the famous Karlštejn Castle and the WWII Terezin Concentration Camp Memorial, to name a few.

So why should you travel to the Czech Republic with Pub Culture Beercations' owner and tour guide, Chris Bettini?

Dubbed Omaha's 'beer god' by the Omaha World-Herald in 2009 and having worked in Omaha's craft beer community bartending at the Crescent Moon Alehouse since January of 2006, Chris has been part of the Omaha beer scene for over a decade. His love for searching out amazing craft beer and the culture around this fermented libation has led to him on countless travels, including 28 trips to Europe since 2008. The past few years Chris found a way to combine his love of craft beer, traveling and exploring pub culture with the creation of his tour company, Pub Culture Beercations LLC. Now he is exploring the world one pint at a time and sharing his adventures with people just like you!

Chris has visited over 950 breweries and countless craft beer bars in 18 different countries over the past 14 years and created friendships and contacts all over the "beer world" that help him make a Pub Culture Trip one that will not only showcase and spotlight some more touristic locations, but also take you off the beaten path to search out those local favorite spots, and locations often overlooked by larger, more expensive tour groups.

Having Bohemian ancestry on his maternal great-grandmother's side, this trip has a personal connection for him as well, and Chris hopes you will join him for a trip of a lifetime with Pub Culture Beercations that promises plenty of Czech culture, traditional food, stunning sightseeing, camaraderie, laughter, and just maybe, a great beer or two!

The fortress city of Terezin is an hour outside of Prague and the site of the Theresienstadt Ghetto and Concentration Camp that was operated during WWII by the German SS. Once we arrive at Terezin, Eva will guide us on a 2-hour tour of the camp where tens of thousands of Jews died, either on their way to the horrific extermination camps in Poland and Germany or waiting for the war to come to an end.
